Coeymans Recycling Center, LLC, a New York State limited liability company (the “Company”), submitted an application (the “Application”) to the Agency, a copy of which Application is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the “Project”) for the benefit of the Company, said Project consisting of the following: (A)(1) the acquisition of an interest in a portion of an approximately 88.15 acre parcel of land located at 50 Coeymans Industrial Park Lane (tax map number: 156.-4-6.11) in the Coeymans Industrial Park in the Town of Coeymans, Albany County, New York (the “Land”), (2) the construction on the Land of an approximately 75,000 square foot building (the “Facility”) and (3) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other tangible personal property (collectively, the “Equipment”) (the Land, the Facility and the Equipment being collectively referred to as the “Project Facility”), all of the foregoing to be leased by the Company to AProjects USA LLC (the “Tenant”) and to be operated by P & M Brick, LLC d/b/a Port of Coeymans (the “Operator”) as an industrial logistics and material handling facility and other directly and indirectly related activities; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

The Agency is considering whether (A) to undertake the Project, and (B) to provide certain exemptions from taxation with respect to the Project, including (1) exemption from mortgage recording taxes with respect to any documents, if any, recorded by the Agency with respect to the Project in the office of the County Clerk of Albany County, New York or elsewhere, (2) exemption from deed transfer taxes on any real estate transfers, if any, with respect to the Project, (3) exemption from sales taxes relating to the acquisition, construction, renovation and installation of the Project Facility, and (4) in the event that the Project Facility would be subject to real property taxation if owned by the Company but shall be deemed exempt from real property taxation due to the involvement of the Agency therewith, exemption from real property taxes (but not including special assessments and special ad valorem levies), if any, with respect to the Project Facility, subject to the obligation of the Company to make payments in lieu of taxes with respect to the Project Facility. If any portion of the Financial Assistance to be granted by the Agency with respect to the Project is not consistent with the Agency’s uniform tax exemption policy, the Agency will follow the procedures for deviation from such policy set forth in Section 874(4) of the Act prior to granting such portion of the Financial Assistance.

If the Agency determines to proceed with the Project, the Project Facility will be acquired, renovated and installed by the Agency and will be leased (with an obligation to purchase) or sold by the Agency to the Company or its designee pursuant to a project agreement (the “Agreement”) requiring that the Company or its designee make certain payments to the Agency.

The Agency has not yet made a determination pursuant to Article 8 of the Environmental Conservation Law (the “SEQR Act”) regarding the potential environmental impact of the Project.

The Agency will at said time and place hear all persons with views on either the location and nature of the proposed Project, or the Financial Assistance being contemplated by the Agency in connection with the proposed Project. A copy of the Application filed by the Company with the Agency with respect to the Project, including an analysis of the costs and benefits of the Project, is available for public inspection during business hours at the offices of the Agency.
